Calibration & Maintenance service since 1982

AL-HUWAIS MAINTENANCE EST.

(AN ISO17025:2017, ISO9001:2015, ISO14001:2015 & ISO45001:2018 ESTABLISHMENT)
3282-Industrial Unit No.:1. P. O. Box 7660, AD Dammam-32443
Dallah Industrial Area, Kingdom of Saudi Arabia

We provide complete comprehensive services for overhaul, Repair, Calibration and hydro testing of all types of valves & instruments related with water, oil, gas and steam for various in the Kingdom of Saudi Arabia.

WELCOME TO

AL-HUWAIS MAINTENANCE EST

Al-Huwais Maintenance Est. is an ISO17025:2017, ISO9001:2015, ISO14001:2015 & ISO45001:2018 certified establishment for Calibration & Maintenance service since 1982 and has the vendor ID of Saudi Aramco # 10061414.

We provide complete comprehensive services for overhaul, Repair, Calibration and hydro testing of all types of valves & instruments related with water, oil, gas and steam for various in the Kingdom of Saudi Arabia.

We undertake all types of Pressure relief valves, Pressure gauges, Mud Gauges, Globe vales, Check valves, Ball valves, Safety relief valves, Transmitter, Temperature gauges, chart recorders, Electric measuring instruments and controllers, Measuring instruments, Weighing scales, Testing equipment Overhauling, Repairs, Testing, Certifying and Supply.

We are providing calibration in the field of :

- **Dimensional Calibration**
- **Electrical Calibration**
- **Pressure & Vacuum Calibration**
- **Torque & Force Calibration**
- **Temperature & Humidity Calibration**
- **Mass/Balance Calibration**
- **General Laboratory Equipment**
- **Gas detectors**
- **Flow meters**

Vision Statement

Our vision is to be the prime service providers and the number one supplier of choice in the field of calibration, testing and advisory services leading to a global recognition.

Mission Statement

It is the policy and objective of **Al-Huwais Maintenance EST.** to provide the highest possible level of quality of calibration and repair service. AHME has made a commitment to achieve excellent laboratory practices through continual improvement of the entire system, competence of our employees, continuous training of all employees, and to provide best customer support/service possible.

Our Values

Al-Huwais Maintenance EST. has been built on the core values of honesty, integrity, fairness and loyalty to employees, customers, vendors and other associates. Our corporate culture provides growth and development opportunities for all employees committed to fulfilling the Company's vision and for continuous improvement in quality, processes and instrumental capability. Further, we strive to promote

- A customer-focused environment: dedication to customer service and satisfaction.
- Our greatest asset, our employees: management commitment to value and to recognize this asset by investing in and supporting open communication, information sharing, employee involvement, empowerment and training in an environment of goodwill and trust.
- Mutual respect: treat others as you would like to be treated.
- The highest standards of ethics and integrity: always do the right thing for the customer and the Company.
- Continuous improvement: utilize best practices to achieve greatest efficiency and effectiveness.
- The team approach: work together to resolve problems, improve processes and build the future in an atmosphere of mutual trust and respect.

ABOUT US

Al-Huwais Maintenance Est. is an ISO17025:2017, ISO9001:2015, ISO14001:2015 & ISO45001:2018 certified establishment for Calibration & Maintenance service *since* 1982. Projects undertaken by us are ranging from on-site calibration to both onshore & offshore jobs which include overhauling and calibration of all instruments. Supply and installation of instruments in instrumentation and process control relate jobs.

We undertake commissioning of all types of pressure relief valves, pressure gauges, mud gauges, globe valves, check valves , ball valves, safety relief valves , transmitter, temperature gauges, chart recorders, electrical measuring instruments and controllers , measuring instruments, weighing scales, testing equipment's overhauling, repairs, testing , certifying and supply.

Al-Huwais specialist for calibration also undertakes Machining jobs, Fabrications and regular production jobs. We are also actively involved in certain industrial equipment supply and trading. Aramco, Scecو and other petrochemical industries has approved our performance. We work with our experienced technical team to provide better service and support to the industries of our region.

MAIN CLIENTS

We work closely with wide range of customers from different sectors and regions across public sector, private sector, local and national government industries. Below are some of our main clients we are proud to work with:

Aramco
Vendor Code:10061414

Zamil Steel
Vendor Code : 344

الشركة السعودية للكهرباء
Saudi Electricity Company
Diligently Serving You

SEC
Vendor Code: 0005015973

SABIC
Vendor Code: 11044120

OUR FACILITIES AND ACTIVITIES:

We undertake complete In-house calibration, onsite calibration, on-shore & off-shore jobs which include overhauling and calibration of all instruments. We also provide supply and installation of instrumentation and process control related jobs.

HYDROTESTING SERVICES:

Industrial companies, particularly aerospace, nuclear, oil & gas or chemical manufacturers, need to make sure any pipeline or plumbing used in their equipment performs reliably, even under the most punishing environments. In unplanned situations pressure can spike to extreme levels; for peace of mind, you need to make sure your equipment can handle the load. Our hydrostatic pressure testing services can help you make certain your piping and systems are up to the job.

HYDROSTATIC TESTING FACILITY:

We have developed our pressure testing facility to achieve maximum flexibility in hydrostatic testing. AL-HUWAIS has the capability of Hydro testing up to 18,000 psi.

We have developed our testing facilities and procedures to provide quality hydrostatic testing services at an affordable price. AL-HUWAIS can provide the level of hydrostatic testing you need, no matter how specialized or unique, at the right price. To learn more contact us today.

BATCHING PLANT CALIBRATION:

We provide on-site calibration for Hopper scales of concrete/asphalt batching plants.

Saudi Aramco E-Reference No. 0000193

Registration Approval Letter

Attention : ALHUWAIS MAINTENANCE EST.

CR Number : 2050052074
Country : Saudi Arabia

We are pleased to inform you that ALHUWAIS MAINTENANCE EST. is now registered in the Saudi Aramco Supplier Management System under Vendor Code No.10061414', provided your company continues to meet all relevant Saudi Arabian and Saudi Aramco standards.

This registration, however, should not be construed as a commitment by Saudi Aramco to procure from you. Being registered as a supplier only grants your company the opportunity, along with other registered sources, to respond to requests for submitting proposals in accordance with Saudi Aramco's established policies and procedures. All procurement instruments including but not limited to service contracts, purchase agreements, or purchase orders will be issued based on the name and address included in your commercial registration (CR), as stated in your Supplier Registration.

Saudi Aramco wishes to remind you that being recognized as a supplier carries with it serious obligations and responsibilities to act in a legal and ethical manner. We wish to remind you of the Saudi Aramco Supplier Code of Conduct (SCOC) which you acknowledged. Failure to abide by the principles set forth in the SCOC can result in adverse actions being taken by Saudi Aramco against you including suspension of you as a supplier. Saudi Aramco also expects each of its suppliers to satisfy each of the requirements of any procurement instrument which might be placed and to act responsibly and reliably as a supply chain supplier.

Material Suppliers should apply for Saudi Aramco Supplier Portal access by forwarding a request to portal-registration@aramco.com. The Supplier Portal is the main electronic business tool used between Saudi Aramco and its suppliers and serves to improve the flow and accuracy of key supply chain information.

For further information or assistance please contact the Saudi Aramco Supplier Help Desk by forwarding a request to SupplierHelpDesk@aramco.com or via the unified call center +966 (13) 874-2222.

Tarek Mohammad Al Madees, Supervisor
Registration Unit
Contracting Services Div

It is the responsibility of the supplier to update Saudi Aramco Supplier Registration Profile through Ariba for the following:

1. Change of Name / Commercial Registration Number / Address / Owner(s)
2. Any change of the supplier location
3. Discontinue supply of approved commodities (9COMs and 9CATS)

This is an electronically generated letter by Saudi Aramco. To verify Supplier approval status, please contact Supplier Help Desk at supplierhelpdesk@aramco.com
